

WE DO TAX, AND ONLY TAX. No audit or attest issues. That's why we can focus entirely on advising and supporting you to adopt best practices, become more cost-efficient and reduce the burden that tax issues bring.

We're passionate because we understand the link between tax efficiency and business success. We're committed to applying our knowledge, experience and expertise to ensure the best result.

THE WORLD'S LARGEST INDEPENDENT TAX ORGANISATION

PRACTICAL, EXPERT-LED ADVICE

No business is without its obstacles. But with tax issues taken care of, you're free to focus on other areas.

Each of our Taxanders has a wealth of industry knowledge so they can guide you to make the right decisions for your business and remain compliant with tax legislation.

TIME ISN'T JUST MONEY

Business moves fast and tax advice needs to keep pace. At Taxand, we work to your schedule to deliver practical solutions that integrate with your own processes and in sync with your needs.

INDEPENDENT ADVANTAGE

Our global coverage delivers conflict free international tax advice. You can also be confident of remaining compliant with independence requirements, whatever continent you're on.

PREMIUM TAX ADVICE, WITH ASSURANCE AND PRECISION

Since 2005, our tax advisors have been sharing their knowledge and broad experience on every tax issue imaginable.

We focus on you first – your business aspirations and the way you like to do things. Then we deliver the highest quality service for tangible results.

COMMITTED TO TAX AROUND THE WORLD

AT TAXAND, WE DON'T JUST GO ABOVE AND BEYOND. WE GO ACROSS BORDERS. WORKING ACROSS CONTINENTS AND ALL AREAS OF TAX MEANS WE CAN ADVISE YOU WHATEVER YOUR TAX ISSUES ARE AND WHENEVER THEY ARISE.

We're dedicated to delivering the pro-active tax advice you require, especially in the current climate of increased transparency and financial scrutiny.

We're as good as the people who represent us. Taxanders are leading industry specialists with global reputations.

That's why we're the trusted partner of hundreds of reputable corporations - from Fortune 1000 companies to mid-market multinationals and nationals worldwide.

We have and always will serve local and international clients the same way - with a seamless, responsive service that's both theoretically sound and practical to implement.

Today, Taxand has evolved into an integrated worldwide organisation of leading experts with complementary skills and experience. Count on us to anticipate and advise on the tax implications associated with your strategic business decisions.

NEVER SETTLE FOR SECOND BEST

Every Taxander contributes a wealth of tax expertise, commercial acumen and keen analytical insight. You can trust in their passion to advise and support you, at every stage.

Regardless of size or status, if you're a client of ours, you're a priority of ours. We'll work tirelessly to deliver an unyielding service with no compromise or excuse.

OUR GLOBAL SERVICE COMMITMENT: INTERNATIONAL TAX ADVICE FROM THE AMERICAS TO ASIA

WHEREVER YOU'RE BASED, WHATEVER YOUR TAX ISSUES, OUR ORGANISATION CAN HELP TURN YOUR TAX CHALLENGES INTO STRATEGIC SOLUTIONS THAT WILL WORK FOR YOU AND YOUR BUSINESS, BOTH TODAY AND LONG-TERM.

COMPENSATION TAX

Taxand delivers a fully integrated service combining tax, legal, financial and human resources requirements. Everything's taken care of including proactive tax advice, regulatory oversight and views on the latest compensation trends.

It's practical advice that will help you keep your people, minimise risk, ensure remuneration plans work in practice not just theory and ensure satisfaction of key stakeholders.

ENERGY TAX

Energy is critical. Balancing supply and demand, sustainability, security risk, cost and the need to act responsibly while managing a tax efficient operation is challenging. Today, companies in the energy sector face unique operational challenges, whether its in exploration, production, refining, transportation, distribution or the ultimate sale to the consumer.

Understanding your business requires specific industry sector expertise from advisors who can optimise tax implications. Our energy specialists provide responsive, proactive, cross-border tax advice to establish efficient structures for your business.

INDIRECT TAX

VAT and GST have a huge impact on your business. Our indirect tax consultants help you plan and develop efficient indirect tax structures.

We manage indirect taxes in the most efficient way. We get to know your business model, internal organisation, supply chain and industry in-depth before advising the best technical route for you.

PRIVATE CLIENT SERVICES

The success of a business relies on the people behind it. At Taxand, we believe in protecting both you and your business so each can thrive.

From real estate to trusts and tax planning for succession, we are your trusted advisor for tax and related issues for bigger picture assurance.

M&A TAX

Taxand works with clients on M&A transactions to ensure that they are structured efficiently.

Our commitment to responsiveness ensures that we - and you - keep up with the extremely rapid pace of today's M&A transactions. Our global capability allows us to look outside the local context to achieve the results you need.

REAL ESTATE TAX

Real estate transactions have become more complex than ever before. So ensure your investments are achieving the best possible performance after tax with dependable, cross-border advice from expert Taxanders.

Our global team of real estate specialists deliver guidance through the entire lifecycle of your investment. From giving you the advantage in industry and tax negotiations and closing deals to drawing on our specialised transaction level knowledge, you're always one step ahead.

TAX LITIGATION & DISPUTES RESOLUTION

With tax administrations around the globe becoming increasingly disputatious, exposure to global task risk is greater than ever.

We'll be there to support you through the challenges of a tax audit or controversy, through to the litigation stage (if necessary), ensuring the most thorough and strategically sound advice.

TP & BUSINESS RESTRUCTURING

Our global team of dedicated experts work as an integrated team to help you approach TP and business restructuring arrangements to meet commercial and operational needs.

It's more than just risk management. You might need to adapt your pricing policies to meet legal and economic requirements. Or restructure to improve efficiencies and drive business performance. Whatever your approach, we'll guide you to the most logical arrangement.

FINANCIAL SERVICES

Financial services clients are facing an evolving array of challenges in the current economic climate including increased regulatory scrutiny, legislative changes and more stringent capital requirements.

At Taxand, our specialist Financial Services tax teams advise on highly complex issues. Our aim is to provide tailored, workable solutions to the highest professional standards that enable our clients to gain a competitive edge.

We advise clients across the entire breadth of the financial services sector including banks, funds and fund managers, insurance and reinsurance companies, leasing companies and securitisation entities.
